The Trading Game

Feel what it's like to be on the trading floor!

Designed by a Wall Street trader, this 15-minute trading game simulates the excitement while providing an educational activity that is fun, experiential, and interactive.

Learn by doing! Simulates trading floor environment where competition breeds excitement. Multiple levels of difficulty available depending on interest.

How does it work? The group is divided into teams. Each team is given a portfolio to trade with other teams. Each team aims to maximize the value of their portfolio through trading, followed by post game evaluation and prizes.

We offer this complimentary with group tours of 20 participants or more.
